

LEE CO. WILL HONOR SOLDIERS THURS. JUNE 12

TREATY ONE OF MIGHT IS FOE'S REPLY

Counter Proposals to Allies Pact Ready to Present.

BULLETIN

By Associated Press Leased Wire
Versailles, May 28.—The German peace delegation here, it was learned today, will present a counter claim of 12,850,000,000 marks for damage from the allied blockade as an offset to the reparation demands of the allied powers.

By Associated Press Leased Wire
Berlin, Tuesday, May 27.—Germany's counter proposals to the terms of the peace treaty include the following points, according to an unofficial summary available today:

Germany offers to disarm all of her battleships, on condition that a part of her mercantile fleet be restored to her;

She proposes that there be no territorial changes without consultation of the populations affected;

The cession of upper Silesia and the claims to East Prussia, West Prussia and Memel are emphatically rejected;

It is stipulated that Danzig shall become a free port and the river Vistula neutralized;

Occupied territory is to be evacuated within six months;

If the league of nations is established with Germany as a member, Germany shall continue to administer her colonies as a mandatory;

Germany offers to pay 20,000,000,000 marks in gold by the year 1925 as indemnity and to make annual payments from 1927 onward to a total not in excess of 100,000,000 marks in gold.

It was expected today that the counter proposals would be officially made known on Wednesday.

The reply complains that "might before right" dominates the whole allied treaty.

Objection is expressed to the demand that Germans be surrendered for trial in enemy courts, the reply contending that an impartial authority ought to be instituted to establish all violations of international law by who ever committed.

WILL NOT PUBLISH PROPOSALS

By Associated Press Leased Wire
Paris, May 28.—(Havas).—The German counter proposals to the allied peace terms, the Petit Parisien says, will not be made public until the allied answer has been sent the Germans.

NO FAMINE REPORT ALLOWED

By Associated Press Leased Wire
Paris, May 28.—A request by German Austria that the faculties of medicine of Spanish universities send delegates to report the effects of famine due to the allied blockade has met mainly with negative responses. The universities of Barcelona, Granada and Valencia refused to co-operate.

HOLD TO WILSON PACE

By Associated Press Leased Wire
Berlin, Tuesday, May 27.—(Delayed).—The German counter proposals will in the opening section argue for German's contractual right to a peace based on President Wilson's fourteen points, because the entente nations agreed to a peace on that basis, and neither Mr. Wilson nor other allied governments have since demanded that peace be established on any other basis.

The second section will deal with alleged contradictions between the draft of the treaty and previous assurances from entente statesmen and the general ideals of international right.

The counter proposals will declare that the terms ignore the fact that Germany has replaced an "imperialistic and irresponsible government" by a strictly democratic one and that Germany in her proposals for a league of nations has adhered to the principle of a limitation of armaments.

Chadsey Removed as Chicago School Head

By Associated Press Leased Wire
Chicago, Ill., May 28.—Chicago's recently appointed superintendent of schools, Charles E. Chadsey, whose salary was fixed at \$18,000, was replaced today, through action of a newly appointed school board, by Peter A. Mortenson. A political contest is back of the change.

One side has been led by Jacob M. Loeb, president of the outgoing school board while Mayor William Hale Thompson headed the other faction. Mr. Loeb was a Thompson appointee, but split with him.

Chadsey was brought over from Detroit as superintendent by the Loeb board. The board which elected Mortenson was appointed yesterday.

Michael Callahan and family, of Aurora, former resident of Dixon, are visiting with friends here today.

WILSON DECISION ON THIRD TERM DEPENDS ON FATE OF LEAGUE

President Will Seek to Be Elected Again if it Fails, Claim.

By Associated Press Leased Wire
Chicago, Ill., May 28.—President Wilson's candidacy for a third term will be determined largely by the fate of the league of nations in the opinion of Homer S. Cummings, chairman of the democratic committee, who came to Chicago today to preside at a two days' session of that body.

"While I have no information regarding President Wilson's intention about a third term I believe that the question largely rests on the fate of the league of nations," said Cummings. "If the league should by any chance be defeated, and this to my mind is unthinkable, the pressure brought to bear on the president to run again would be very great and I feel certain that he would be re-elected. If the league is successful I do not think the pressure would be nearly as great."

In the absence of definite word from President Wilson on the subject there was little gossip of candidates among the party leaders. The names most frequently mentioned were William G. McAdoo, former secretary of the treasury, and A. Mitchell Palmer, United States attorney general, who will address the committee tomorrow night.

Cummings Makes Speech.

In his opening address to the committee, Chairman Cummings praised the democratic national administration and declared that the republican party again is falling under reactionary leadership, as indicated by the organization of congress. He urged a closer co-operation between the different departments of the party organization in preparing for the next national campaign and referred to the important part women take.

He spoke of his proposed trip through the country to meet party leaders and said he expected to visit every state in the union before returning to New York in August. He said the party headquarters would remain in Washington until the opening of the 1920 campaign when they would be removed to New York, but it was probable that headquarters would be opened in Chicago and perhaps other cities. In a few days he will appoint a committee to take up active work for the next presidential campaign.

Proud of Record.

"This meeting today marks the opening of an active and militant campaign for 1920," said Chairman Cummings. "We are able to point with pride to the record of President Wilson and the democratic national administration in the matter of progressive legislation."

"From the passage of the income tax law to the establishment of the federal reserve bank system the movement of the democratic party has been steadily forward. When war came it seemed for a time as if daylight had dropped out of the world. The democratic party successfully led the country through that critical period. No matter what critics may say, history will record this period as the golden age of American achievement and American honor. When the full story is written the American people will be satisfied and grateful. I look forward to the campaign of 1920 with utmost confidence, not only in the righteousness of our cause but in its triumph."

G. O. P. Is Reactionary.

"The republican party again is falling under reactionary leadership. The selection of Mr. Penrose as chairman of the senate finance committee indicates the type to which the party is committed."

House Committee to Probe War Expenses

By Associated Press Leased Wire
Washington, D. C., May 28.—Plans of the republican leaders of the house for investigations of war expenditures of the war department took definite form today when Representative Graham of Illinois, prepared a resolution providing for appointment by the speaker of a committee of fifteen to conduct such an inquiry. Immediate consideration will be asked.

MEMORIAL DAY AT THE COUNTRY CLUB

It is announced that, contrary to previous plans, luncheon will be served at the Dixon Country club during the day on Decoration day. Mr. and Mrs. Snyder, caterers at the club, will serve lunches, ice cream and cold drinks.

THE WEATHER

WEDNESDAY, MAY 28.
By Associated Press Leased Wire
Illinois.—Generally fair tonight and Thursday; not much change in temperature.

LOCAL TEMPERATURE

Maximum and minimum temperatures and rainfall, if any, registered by the government thermometer and recording instrument in this city for the 24 hours ending at 7 o'clock p. m. each day.

Sunday	70	45
Monday	75	50

PORTUGAL GIVES ORDER OF TOWER TO NC-4'S CREW

American Flyers Are Decorated—Trip to England Delayed.

By Associated Press Leased Wire
London, May 28.—The crew of the seaplane NC-4 which made the first trans-Atlantic aerial passage, landing at Lisbon last evening from the Azores, has been decorated with the Grand Cross of the Order of the Tower and Sword, says a message to the Wireless Press from Lisbon. The decoration was presented by the Portuguese foreign minister.

The order of the tower and sword was founded in 1808 in Brazil by the regent who afterward became King John VI of Portugal as a revival of the order of the sword founded by Alfonso V in 1459. It was again remodelled in 1832. It is a general military and civil order and has five classes.

The badge is a five pointed star in white on the center of which is imposed a sword surrounded by a laurel wreath and words signifying merit, valor and loyalty. A laurel wreath connects the points of the star and at the top is a tower in gold. The ribbon is blue.

NO WORD THIS MORNING

By Associated Press Leased Wire
Washington, May 28.—No word had reached the navy department this morning as to whether the seaplane NC-4 had left Lisbon on the last leg of the flight to Plymouth, England.

Officers said communication with Lisbon was exceedingly slow.

WAS GREAT ACHIEVEMENT.

By Associated Press Leased Wire
Washington, D. C., May 28.—The feat of the seaplane NC-4, which yesterday achieved the distinction for the United States navy of having blazed the way for trans-Atlantic aerial navigation when she flew from Ponta Delgada to Lisbon, continued the chief topic in naval and official circles here today. In addition to the honor which history will give to American naval fliers as the

(Continued on Page 5.)

HOUSE PASSES ROAD APPROPRIATIONS BILLS OF OVER \$14,000,000

No Debate Attends Final Passage of Measure to Build Roads.

By Associated Press Leased Wire
Springfield, Ill., May 28.—The house today passed bills without debate approximately \$14,000,000 for state and federal aid roads. One of the bills contained any limitations as to the amount to be expended for the highways. They now go to the senate.

Bills passed were as follows:
Tice—Federal aid \$12,000,000; vote 85 to 0.
Meents—Reappropriation of balance of fund for 1917, \$1,117,000; vote 93 to 0.
Tice—Maintenance state roads \$500,000; vote 85 to 0.

Tice—State aid roads \$1,009,000 (re-appropriation) vote 101 to 0.

It was expected that an attempt would be made to recall from third reading for amendment the Meents bills appropriating \$60,000,000 for state and \$10,000,000 for federal aid roads to which amendments were tacked last week limiting the cost of construction in the case of half the roads to \$18,000 a mile. This would preclude use of cement, it is said, and would upset the plans of the department of public works and buildings. The amendments were offered by Majority Leader Short, left.

Fear that a quorum would be dispelled when the first bill was up for passage.

The senate was convened by Lieutenant Governor Oglesby with less than half a dozen members responding. Adjournment was taken until Monday. Word of the death of Bernard F. Clettenberg, republican, of Chicago, reached the house today. Speaker Shanahan will name a committee to arrange memorial exercises.

LITTLE BUSINESS TO BE DONE ON FRIDAY

Business in Dixon will be practically suspended Friday afternoon during the exercises at the court house, and many of the institutions will observe the entire day as a holiday. All groceries will close at noon, and it is likely other mercantile establishments will do likewise. The banks, barber shops, city and county offices will be closed the entire day, and the Evening Telegraph will issue no edition of the paper on the day.

The clothing, dry goods and shoe stores will remain open and shoe stores will be open on Friday for the rest of the day.

A PROCLAMATION.

DECORATION DAY
Friday, May 30th, having been set apart by our nation and state as a day in which to decorate the graves and pay our respects to our soldier dead, it is my request that all business within the city, so far as possible, cease during the exercises on the occasion. I hope that participation in all games and amusements of various kind, will be refrained from during the exercises. It is asking but little of us to observe this occasion with the respect and decorum which, in but a feeble way, expresses our sense of debt to those who have sacrificed so much for us.

Will you not only observe this request, but help by your presence and example, in making the afternoon a real Memorial Day, as intended. There will be seats for those of our soldiers, as well as of the auxiliary bodies of ladies, who desire them. Some others will find seats, but it is hoped that the different bodies of soldiers and allied auxiliaries will not find the seats intended for them, occupied by others. Children and thoughtless people, will refrain from disturbing activities in the immediate vicinity of the exercises, while same are in progress.

(Signed)
MARK D. SMITH,
Mayor of the City of Dixon, Illinois.

GRAND COMMANDERY K. T. OFFICERS ARE IN DIXON FOR THE DAY

Reception for State Officers to Be Held Here This Evening.

Dixon Knights Templar are today entertaining some notable guests who arrived this morning at 10 o'clock and will remain through this evening. Chief of the guests is Right Eminent Sir Knight James McCredie, of Aurora, grand commander of the Knights Templar of Illinois. With him are Grand Recorder Delmer Darrow of Bloomington, Grand Standard Bearer H. W. Hanson, several automobiles containing Knight Templars from surrounding cities also arrived this morning to participate in the festivities of the day.

Upon their arrival this morning the guests of honor were met at the Illinois Central depot by a delegation of members of Dixon Commandery of Knights Templar. At 11 o'clock a long line of automobiles took the guests and local Knights to Grand Detour where dinner was served at the Colonial Inn at 12 o'clock.

Visit Lowden Farm.

At 1 o'clock the party left for a trip to Governor Frank O. Lowden's Sinsinippi farm, where they stayed for a few hours, returning by way of Lowell park. Here the visitors and Dixon Knights were shown the natural beauties of the park and then proceeded to Assembly park for an inspection tour. They returned to Dixon about 5 o'clock from the auto trip.

At 6:30 this evening, a banquet and reception will be tendered the visiting state officers at the Masonic hall, the ladies of the Order of Eastern Star serving. It is expected that there will be in the neighborhood of 200 Sir Knights from surrounding commanderies present at this time. Following the banquet, Right Eminent Sir Knight McCredie will be officially received by the Dixon Commandery and presented with an honorary membership card in the local organization.

The officers of Dixon Commandery who have presided during the past year are receiving the congratulations of the state grand officers for the rapid growth in the local lodge. During the past year the records of the Dixon Commandery show an addition of 76 members. Previous records for one year have not exceeded the 31 mark. The local commandery now ranks as one of the best in the state and the Knights are to be commended for their activity in bringing to Dixon such notable visitors as are being entertained by them this afternoon and evening.

TO STOP SNAGGING FISH IN ROCK RIVER

In reply to an inquiry concerning the legality of "snagging" fish in Rock river, Ralph F. Bradford, Chief Game and Fish Warden writes:
"This division has always held that the so-called snagging of fish is illegal, and of course you understand in a fish preserve such as Rock river is, only hooks and lines are permissible."
Mr. Bradford's advice was asked when it became known that a number of fishermen are snagging fish, and the Chief Warden has advised Dixon fishermen that he will send a special deputy to Dixon to investigate and institute prosecution if necessary.

Rep. Mason Asks for Minister to Ireland

By Associated Press Leased Wire
Washington, D. C., May 28.—Representative Mason, republican, of Illinois, has introduced a bill directing the expenditure of \$14,000 annually of state department funds "for salaries for a minister and consuls to the republic of Ireland."

DIXON GROCER DARES CITY TO ENFORCE LAW

K. J. Reed Tells Council Ordinance Won't Hold Water.

K. J. Reed representing the Pratt-Reed Grocery company of this city, appeared before the city council at its regular session last evening in an effort to have the present ordinance so arranged that automobilists could stop in front of his place of business on Saturday evenings for the purpose of disposing of produce and buying their bills of groceries. The argument waxed warm and for a time only the mayor took a hand in it but before the storm cloud had cleared away Commissioners Slesower and Armstrong were also figuring in the debate.

The grocer told the council of the loss of business by his firm on account of the fact that just as soon as the customers stopped their cars in front of the store "a policeman is on their back." He endeavored to impress the council with the fact that section 7 of the traffic ordinance was injurious to the business interests of the firm represented by him and furthermore added that "it will not hold water." The argument increased with marked interest until the grocer notified the council that the police were not enforcing the ordinances of the city and took liberty to state that in order to test the strength of the ordinance that he would back his own car up in front of his store on a Saturday night and then told the council to "go ahead and shoot."

Accept Challenge.

Commissioner Armstrong informed the speaker that the coming Saturday evening would be a very appropriate time to test the ordinance. The speaker then resumed his seat and Commissioner Palmer suggested that something might be done to remedy the cause of the friction. Both the mayor and Commissioner Slesower questioned Chief VanBibber to ascertain if the officers were antagonizing persons who stopped their cars in front of this particular place of business and were informed that such was not the case and that the police had allowed people to attend to their shopping. The matter quietly slipped aside when Commissioner Slesower said:

(Continued on Page Four.)

ITALIAN CLAIMS ON ADRIATIC TAKEN UP AGAIN BY BIG FOUR

Present New Formula to Bring Long Dispute to Happy End.

SESSION ON ITALIAN DISPUTE

By Associated Press Leased Wire
Paris, May 28.—The council of four is making a determined effort to settle the Italian question today. Andre Tardieu of the French delegation, after consultation with the Italian representatives framed a formula over night which is understood to follow generally the compromise proposed by Colonel E. M. House last week.

Colonel House, Captain Tardieu and Premier Orlando were at the council meeting this forenoon and there was said to be a fair chance that an adjustment might be reached this afternoon.

DELAYS BOUNDARY SOLUTION.

By Associated Press Leased Wire
Paris, Tuesday, May 27.—(Delayed).—Although arrangements have been made to present the treaty to the Austrian delegates Friday noon, efforts by the peace conference to reach a decision relative to the southern boundaries of Austria have been delayed by the Italian delegation.

The Italians are linking questions regarding Austrian boundaries and the Dalmatian coast, but the council of four hopes to have the Dalmatian problem postponed for subsequent settlement. Both the council of four and the council of ten considered the southern boundaries of Austria today.

Paderewski Afraid Germany Will Open Offensive on Poles

By Associated Press Leased Wire
Paris, May 28.—Fears of a German attack upon Poland was expressed today by Ignace Jan Paderewski, the Polish premier, who arrived in Paris from Warsaw last night. He said the Germans were active in a preparatory way and might strike in several places.

The reports of pogroms in Poland were denied by the premier. He declared such reports were German propaganda.

The Ukrainians fighting, the premier blamed on the Ukrainians, who, he said, signed an armistice May 11 and then attacked the Poles at two places May 12.

DAY IS SET FOR "WELCOME HOME" HOLIDAY HERE

Returned Fighter Will Have Time to Meet Loved Ones.

Dixon and Lee county will set aside Thursday, June 12 as the day it will devote entirely to welcoming and honoring its returned fighting men. The improbability of all of the members of former Company G reaching here on the same day has caused the committee in charge of the big welcoming celebration to decide upon the date mentioned for the reception, which will be for every Lee county soldier, sailor and marine who has returned from service.

The decision to hold the big celebration a few days after the arrival of the artillerymen, all former Company G men, was also influenced by the expressed wishes of the men themselves, most of whom told Attorney Dixon and Capt. Preston when the subject was mentioned at Camp Mills Sunday, that they would prefer to have the first hours after their arrival home to spend with their families. All of the returned fighters said they would be "strong for a parade" anytime after they had their reunions with loved ones from whom they have been separated for over two years.

To Be Big Holiday.

Accordingly Thursday, June 12, is to be made a big holiday in Dixon, and it is hoped all communities in Lee county will co-operate, and as far as possible suspend all business and allow all the people of the county to gather in Dixon, the county seat, to prove to all the returned warriors that the county is proud of them, appreciates what they have done and welcomes them home with open arms and warm hearts.

In Dixon all business will be suspended on that day. From 9:30 a. m. until midnight the time will be given over to one big celebration of happiness that the war is over and our boys have participated so gloriously in it. In joy that so many of them have returned; in an exhibition of the pride the community has in them; and in tribute to those who will never return.

Primarily For Fighters.

The celebration will of course be primarily for fighters; but the populace of the county will of necessity be where the fighters are and will enjoy the big celebration. There will be countless free acts on the streets, music by several bands, athletic contests, etc. throughout the day, and a big banquet for the men in uniform. Special athletic contests for men in uniform, in which cash prizes will be given, are being arranged by Harry Stephan and Tim Sullivan, and in the evening there will be a monster parade, in which every returned fighter, merchants with floats, school children, patriotic bodies, etc., will take part. The full program for the day's activities will be announced later.

From Camp Grant.

General Chairman Charles Miller is in charge of the arrangements for bringing the Dixon boys from Camp Grant when they are discharged, and he also will take several members of the committees to Chicago to meet the Dixon men when they arrive in that city. If weather and road conditions are favorable the men will be brought home from Camp Grant in automobiles.

Arch Nearing Completion

The carpenter work on the "Triumphal Arch" at Galena Ave. and Second street has been completed and the arch is a credit to its designer, Contractor Baum and the men who worked on it. It is substantial and ornamental, and when painted will indeed be a credit to the city. In fact many citizens have expressed the opinion that after it has served its purpose during the summer it should be given a dressing of stucco and allowed to remain, a permanent ornament to the city, a memorial to the deceased soldiers and a mark of welcome to visitors.

Brilliantly Illuminated

Electrical Contractor W. J. Cahill this morning started wiring the arch for electric lights, and his plans provide for brilliant lighting effects. Over 300 lights will be placed on the structure, and on the keystone will be emblazoned the insignia of the 33rd Division—the gold cross of the Crusaders in a circular black background.

Two rows of red, white and blue lights at top and bottom of each side of the arch and seven big globes hanging beneath, bearing the letters "WELCOME" are included in the plans and at the top of the keystone Mr. Cahill will place four searchlights, all directing their powerful rays on the flag, which will fly from the staff over the arch.

To Letter Messages

When Mr. Cahill has completed his work George Walker will paint the messages, one on each side of the arch: "Dixon Welcomes Her Returning Heroes," and "We Pause a Moment to Honor Our Dead."

Cedar Rapids Blast Was Caused By Fire

By Associated Press Leased Wire
Cedar Rapids, Ia., May 28.—The recent explosion at the Douglas starch works here which killed 48 persons and caused \$3,000,000 damage was caused by a fire, according to the coroner's jury which completed its investigation late last night. It had been generally presumed that the fire resulted from the explosion.

Blame for the fire and explosion was not placed on anyone.

STATE CONCLAVE KNIGHTS TEMPLAR MAY BE SECURED

Dixon Has Good Opportunity to Get Meeting.

Dixon ranks at present as a leader among prospective Illinois cities to entertain the annual Knights Templar conclave to be held in September, 1920. This information was gained this morning upon the arrival of grand officers of the state who are the guests of Dixon Commandery this afternoon and evening. Each member of the Dixon Commandery is ready to use his best efforts to bring this great assemblage of Sir Knights of Dixon in the fall of next year, as such a gathering would doubtless bring to Dixon upwards of 7,000 Sir Knights of the entire state.

Plans are being investigated today with a view of establishing a Knights Templar camp at the Assembly park on that occasion. The state officers who are visiting here today are making a trip of inspection of the Assembly grounds for this purpose. Only two other towns in the state, Springfield and Starved Rock are contenders at this time for the state conclave.

Nothing definite has been announced as to the plans for bringing the plumed Knights to Dixon next year, but it has been suggested that the grand encampment be stationed at the Assembly park immediately following the program in the fall of next year. The tents would remain standing and additional tents set up for the accommodation of the visitors. Several of the larger commanderies could doubtless come to Dixon on special trains and live in the cars during their stay.

All of the business sessions could be accommodated in the auditorium of the Assembly. The annual commandery drills require suitable and ample drill grounds, but this part of the program could very likely be cared for at the Dixon Country club grounds. The conclave is one that Dixon should be proud to be given the opportunity to bring to the city, and doubtless every effort will be made to bring the Knights Templar of Illinois to Dixon on this occasion.

It is expected that following the inspection of the grounds this afternoon that the state grand and local officers will meet to discuss the matter and probably make some recommendations or report on the possibility of bringing the conclave to this city.

Naval Board Urges Prompt Completion of Naval Program

By Associated Press Leased Wire

Washington, May 28.—Rapid completion of the navy's 1916 building program was urged by the general board today in a communication presented to the house naval committee by Secretary Daniels. The board recommended that only slight changes be made in the plans of the capital ships as originally drawn.

The board's communication showed that the idea of building a composite ship to take the place of battleships and battle cruisers had been abandoned for the time being at least.

Principal changes in the six battle cruisers authorized in 1916, recommended by the board would give the ships additional protection at the sacrifice of speed. Secretary Daniels told the committee the board was unable to say how much speed would be sacrificed to gain this end. The ships were designed for 35 knots.

Rear Admiral McKean, acting chief of operations, told the committee that not less than 16 first class battleships with a total complement of 20,886 men would be kept in commission as a peace time force. The admiral was questioned regarding the possibility of reductions in the complements of the first class ships. The committee pointed out that such reductions would mean a large saving to the government and would be consistent with post-war economy.

Admiral McKean was not in favor of large reductions. He said the personnel of a ship could not be decreased without decreasing the vessel's efficiency.

Mich. City Soldiers Rebuke Mayor Miller

By Associated Press Leased Wire
Michigan City, Ind., May 28.—Several hundred soldiers, sailors and marines last night unanimously adopted resolutions opposing official participation in July fourth honors to them by Mayor F. C. Miller. Gorman born, the mayor received his naturalization papers only ten days ago.

The soldiers declared he did not show the proper spirit toward them when they left for war, that he embarrassed them during war, and that the city government displayed no sign of welcome when they returned.

Miss LaFerne Richardson returned to her home Tuesday from the hospital after an operation for the removal of her tonsils.

AIR CONVENTION IS AGREED UPON BY COMMISSION

Many Subjects Dealt with in Treaty Proposed.

By Associated Press Leased Wire
Paris, Tuesday, May 27.—(Delayed.)—The aeronautical commission of the peace conference has agreed to a complete draft of an air convention and its annexes, subject to some small amendments.

The convention itself includes the following topics:

- The nationality and registration of aircraft.
- General principles governing the right of international flight.
- Certificates of air worthiness and competency.
- Principles governing flight over foreign territory.
- Prohibition of the carriage of certain objects.

Technical details are relegated to annexes.

The aeronautical commission of the peace conference grew out of the international convention on aerial navigation which was called by the French government in March, independent of the peace conference itself. The convention drawn up by it will be submitted to the supreme council as part of the peace conference work and in the case of the United States to its diplomatic representatives for submission to the senate.

Red Cross Prepares to Combat Typhus in Poland and Balkans

By Associated Press Leased Wire
Paris, Tuesday, May 27.—(Delayed.)—The league of Red Cross societies, in announcing the spread of typhus in Poland says that "although officially organized only three weeks ago by representatives of the Red Cross societies of America, England, France, Italy and Japan, it has had under consideration methods for dealing with the present typhus epidemic as approved by the leading scientific experts who met at Cannes in April at the invitation of the founders of the league and is prepared, therefore to begin at once."

Reports from Poland and from other afflicted parts of eastern and southern Europe picture the suffering there as beyond comparison, with thousands dying for lack of medical care and a serious scarcity of medical necessaries.

Cholera Also Spreads.

"The menace to the rest of the world," says the league, "is fully appreciated by the supreme economic council, which has reports regarding the necessity of action to prevent spread of the contagion further west. Added to the menace of typhus is the danger of cholera in Europe and the Red Cross league will be consulted with regard to this."

Sir David Henderson, director general of the league said today: "If the

Progress of Aviation.

The astounding feat of the American flyer in crossing the Atlantic is all the more amazing after a glance over the history of aviation.

1885—Hargrave, an Englishman, made the first sustained flight in a heavier-than-air machine, with compressed air for motive power, over a distance of 800 feet.

1893—Phillips of England, with steam motive power, flew 400 feet.

1894—Maxim of France flew 200 feet with steam motive power.

1896—Professor Langley of America flew one mile with steam motive power.

1896—Oder, France, flew 26 meters with gasoline motive power.

1903—Wright flew 59 seconds, gasoline engine.

1904—Wright flew 5 minutes 17 seconds with gasoline engine.

1905—Wright flew 38 minutes, 13 seconds with gasoline engine.

1906—Santos Dumont flew 60 meters at a speed of 25 meters per hour.

1906—A number of sustained flights, 25 to 75 kilometers, Wright.

1909—Bleriot flew 27 miles "cross country."

1910—Sopwith, England, flew 160 miles, "cross country."

1912—Bleriot flew 400 miles, at a speed of 55 miles per hour.

1913—Moisant flew 550 miles, at 62.5 miles per hour.

1914—Graham-White flew 750 miles, at 60.5 miles per hour.

1915-'16-'17-'18 saw tremendous strides in war aviation.

1919—Lieut. Commander Read flies across the Atlantic.

The first attempt to cross the Atlantic by the air route was made by Melvin Vaniman, in a dirigible balloon named the America, October 10, 1910. He set sail from Atlantic City. When two days out the craft encountered a storm, and Vaniman and his crew were picked up on the 18th by the steamship Trent, 375 miles east of Norfolk.

Vaniman's second attempt, in the Akron, July 1, 1912, from Atlantic City, resulted in his death and that of his four companions. At a height of more than 500 feet the big gas bag exploded.

Red Cross league is charged with the serious responsibility of protecting the public health in this crisis, the people of the various nationalities must realize that the fight is their own and that the league is acting as their instrument. The league will be but to the severest test at the very beginning of its existence."

**FRENCH IMPORTS INCREASE
25 PER CENT OVER 1918**
By Associated Press Leased Wire
Paris, Tuesday, May 27.—(Delayed.)—France's imports for the first quarter show an increase of nearly 1,119,000,000 francs or twenty-five per cent over the corresponding period of 1918, according to official figures published today.

Exports decreased by almost 76,000,000 francs or seven per cent.

Prof. W. H. Smith was a professional visitor in Franklin Grove this morning.

Brief Summary of Last Night's News

By Associated Press Leased Wire
LIMA, Peru—Six persons were killed and twenty were wounded in the rioting and fighting caused by a strike.

LONDON—When the barracks of the occupation troops at Ludwigshafen burned, 40 soldiers perished and 100 were injured.

NEW YORK—Federal Judge Mayer signed three injunctions restraining the United States district attorney and the acting collector of internal revenue of the New York district from interfering with production of "war beer."

ATLANTIC CITY—Vice President Marshall told the American Cotton Manufacturers' association that he wanted to see the railroads operated by their owners.

COBLENZ—When American troops marched through Coblenz in review, the male citizens were compelled to salute the American flag.

CHICAGO—Ruth Law, aviatrix, announced her intention of attempting a trans-Atlantic flight within six weeks.

WINONA, Minn.—Thor Jensen won two straight falls from Irish O'Donnell.

NEW HAVEN—A mob composed mostly of discharged soldiers and sailors attacked Yale university campus.

and beat a number of students, because of an alleged slighting remark during a parade of soldiers.

LONDON—The allies have made arrangements to feed Petrograd after the expulsion of the bolsheviks. Herbert C. Hoover will be in charge of the rationing.

PARIS—Advices received here say the armies of Admiral Kolchak, anti-bolshevik commander in Russia, again are advancing against the bolsheviks, who are falling back on the Volga river.

EL PASO—Governor Hobby has withdrawn his approval of sending Mexican troops through Texas, enroute from Sonora to Juarez to campaign against Villa.

ST. JOHNS—The biplane in which Hawker attempted to fly across the Atlantic was picked up by an American steamer.

DALLAS—Practically complete returns show woman suffrage in Texas was defeated and prohibition carried.

Daily Melees Staged in Rome When Butter Supply is Given Out

By Associated Press Leased Wire
Rome, May 19.—(By Mail.)—Octogenarians of both sexes participate every day in Rome in spirited melees for butter. The fights occur at six o'clock each

morning and seven o'clock each evening.

Butter is so scarce in Rome that when any is put on sale at a creamery the place is stormed. Aged men and women, girls and boys scramble for it. Women lose parts of their clothing and scream from pain in the pressure of the mob. They emerge with dishevelled hair and raging countenances, flety mad at the roughness of the others. If a

woman is successful she receives two ounces of butter for which she pays thirty cents.

He Did This Job Alone with the Sandwich Easyway Loader

No Other Machine Could Do It

Here is a drawing made from an actual photograph of a farmer who made this big full load alone. That's evidence of what you can do with this wonderful **Sandwich Easyway Hay Loader**.

Customers Who Have Called All Say This Easy Way is a Wonder

Here is a machine, the like of which you never saw before. For it really is two machines in one. The Sandwich Easy Way Hay Loader combines Cylinder and Push Bar actions.

The Cylinder gently lifts the hay from swath or windrow without change or adjustment, and the Push Bar action forces it far up onto the load. Farmers call this Easyway the "One Man Hay Loader." And our customers who have seen this loader at our store all say "It's a Wonder."

OUR SUPPLY IS LIMITED.

We could get just so many of these loaders and what we have left won't last long. So we say "Come at Once," or telephone us is better, and tell us to "Reserve One of These for You." You don't have to take it after you see it if you don't want it. But we'll hold one for you until you can get in town. It sure is a Winner as a Hay Loader and you don't want to miss seeing it.

Pile Suffers! Clever Ohio Chemist Says This Great Prescription Taken Internally Has Never Failed

Even chronic cases of 20 to 30 years standing, with profuse bleeding, have been completely cured in from three to ten days.

No discovery of recent years in the field of medicine has caused such a stir amongst the medical profession as the recent discovery that piles can be successfully treated and cured at home by wonderful prescription known to druggists as Miro Pile Remedy.

It has been proved that so called external remedies applied or inserted into the rectum cannot cure piles and at the best only give temporary relief. This is also true of surgical operations which simply remove them after formation, but in no wise acts on the source of the trouble.

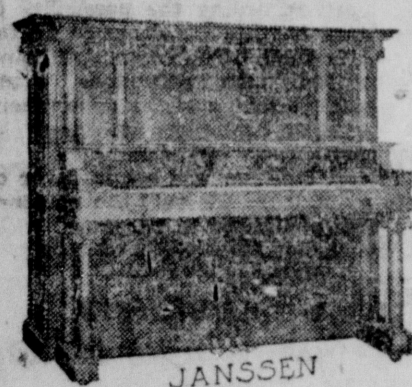

This prescription, although taken internally, is not digested in the stomach, but is rapidly passed on unchanged to the intestines in a short time, reaching the exact place where by its soothing, healing action, it first allays all inflammation and then by direct contact with all ulcers and piles, causes

them to heal and disappear forever. It's positively marvelous how speedily it acts. Blessed relief often comes in two or three days at most, even in cases with profuse bleeding that have resisted all known treatments and operation really wonderful results have been accomplished.

The author of this amazing discovery desires all sufferers to know that he does not want a cent of anyone's money unless Miro Pile Remedy decisively conquers even in the worst cases and he has instructed druggists all over the country to guarantee it in every case of blind, bleeding or protruding piles.

IMPORTANT—What is known as itching piles are not piles in the true sense of the word, although this condition may accompany a true case of piles. For this condition Miro Pile Ointment has been prepared as in such cases it is not necessary to take the internal prescription.

If your druggists cannot supply you we will gladly send either of the above mail charges prepaid on receipt of price. Internal treatment \$1.50, war tax 6c. Ointment 50c, war tax 2c extra. Guaranteed Remedies Co., Elyria, Ohio.

24TH ANNUAL MEETING—

The twenty-fourth annual meeting of the Illinois Federation of Women's clubs will be held in Peoria, June 3-5, the first to be held under the new arrangement of meeting in the spring, at the close of the club year, rather than in the fall at the opening of the year, as has been the plan heretofore.

Mrs. Harrison Monroe Brown and Mrs. John Keene of Peoria, have charge of the arrangements. The meetings will be held in the Mohammed Temple; the conference at the close of the afternoon general sessions will be held in Woman's club, the Teachers' club and the Jefferson hotel, which is hotel headquarters.

The last convention was held in Chicago in November, 1917, since then the club women have been very busy carrying out all the plans they had in hand before America was in the midst of the war, and in addition to this they have been leaders and tireless workers in all the war activities.

Just as the last convention was a strictly "war-time" convention, so this will be a "peace" convention, but the problems are just as numerous and fully as perplexing, and it is hoped that every club in the state will send its full quota of delegates. One important item of business will be the proposed revision of the by-laws that will increase the funds of the organization, it is hoped, and at the same time put it on the democratic basis of paying pro rata dues to the state federation. At this convention will occur the election of a president to succeed Miss Jennie Spafford, of Rockford, who has served so faithfully and well during the difficult period of the war.

A broad and comprehensive program has been arranged.

Upon the program of the convention will appear many speakers and workers of national reputation as well as many of the leading musicians of the state. The conference arranged by different chairmen will be particularly interesting and helpful to those especially interested in the different lines of work, and opportunity will be given for general discussion of subjects.

The officers of the Illinois Federation are:

President—Miss Jessie I. Spafford, of Rockford.
Vice President—Mrs. Frank H. Funk, of Bloomington.

Recording Secretary—Mrs. W. R. Hunter, of Kankakee.

Corresponding Secretary—Mrs. Chas. Carver, of Oak Park.

Treasurer—Mrs. Frederick Block, of Chicago.

General Federation State Secretary—Mrs. Charles Zimmerman, of Chicago.

Those going from Dixon will include representatives from both the federated clubs, the Woman's club and the Phidian Art club. Those from the Woman's club will be Mrs. Adolph Elchler, president; Mrs. W. H. Coppins, and Mrs. A. N. Nichols. Miss Fanny Murphy, president and Miss Geisenheimer will represent the Phidian Art club. Most plan to leave for Peoria Tuesday morning.

PLAN COUNTY WORK—

Much work for the summer was planned at the meeting Sunday afternoon at the Y. M. C. A. by the members of the executive board of the County Sunday School association. A series of meetings were planned for June, August, September and October and plans were also laid for five efficiency conferences to be held in June, one each in Dixon, Amboy, Paw Paw, Ashton and Steward. The boys, girls and children's conferences will be held after Assembly time. A number from here are planning to attend the state convention to be held in Rock Island, June 3-5.

MISS STAPLES HOME—

Miss Mary Staples, Red Cross nurse, arrived in New York yesterday, according to a message sent her parents, Mr. and Mrs. Edward L. Staples, last evening. She has been in Red Cross service for the past 13 months, five of which were spent in the army camps in the United States and eight in France. She and the other members of the party are now quartered in Hotel Albert, New York City, where they expect to remain for several days before securing their release.

ST. PAUL'S CHOIR—

Choir rehearsal at St. Paul's will be held Thursday evening, instead of Friday.

Oregon Seniors to Give Play Here

The Senior class of the Oregon High school, which so successfully presented the play, "At the End of the Rainbow" in Oregon on the evening of May 23rd, will give a second presentation at the Dixon opera house, Tuesday evening, June 3rd. The cast of characters follows:

Robert Preston, lawyer—Dudley Adams.
Douglas Brown, a football player—George Johnson.
Dick Preston, the groom—George Wilson.
Stanley Palmer, "Hawkins, the Butler"—Vernon Brewster.
Ted Whitney, captain of the varsity team—Arthur Tholen.
Jack Austin, Preston's secretary—Paul West.

Marion Dayton, a ward of Preston's—Louise Emerson.
Nellie Preston, a bride—Helen Mead.
Louise Ross, known as Miss Grayson—Marie Potgieter.
Phyllis Lane, a football enthusiastic—Louise Eton.

Kathleen Knox, chairman of rushing committee—Ina Stoffregen.

The Imp, a freshman—Gladys Miller.

Emily Elliott, with a conscience—Frances Smith.

Jane, a maid with a taste for literature—Ethel Woodworth.

Mrs. Brown, step-mother of Douglas Brown—Lila Carr.

Folly Price, of the Theta Phi—Lila Carr.

Elsa Ernest—Marjorie Stoffregen.

Marjorie Arnold—Marie Cordes.

Molly Bruce—Laura Fischer.

Fred Lewis, a football player—Clarence Johnson.

John Lane—Elmer Lindsay.

Scene—A College Town.

Time—The Present Time.

Act I—Den in the Theta Phi house, early in the college year.

Act II—Library in the Preston house, Marion's Mask Ball, two weeks later.

Act III—Interior of Athletic Club, afternoon and evening, day of game.

ATTENTION, R. N. A.—

All members of the Royal Neighbor lodge is requested to meet Sunday morning at 9 o'clock at Miller hall, bringing with them all the possible flowers to prepare for the Memorial Day exercises to be held Sunday afternoon at one o'clock. The members are first to gather at the hall and from there go to the cemetery where the graves of deceased members will be decorated and the memorial address will be made. Rev. Jesse M. Tidball is to be the speaker.

HOUSE-WARMING—

The George Prescott family were given a pleasant house-warming by a group of twenty friends on Friday evening at their new home on Galena avenue into which they have but recently moved. The affair was arranged as a surprise to Mr. and Mrs. Prescott. A scramble supper was brought by the guests and thoroughly enjoyed by all. The remainder of the evening was passed very pleasantly in the playing of games.

CLASS MEMBERS SURPRISED—

The Sunday-school class of the Brethren church which is taught by W. W. Lehman was responsible for a very pleasant surprise on Glen Lehman Sunday afternoon in honor of his birthday anniversary. A scramble supper was an enjoyable feature. Joseph Dunavan, whose anniversary falls on the same day as that of the host, was a guest of honor. Each boy was presented with a book.

GIRLS' DRILL TEAM—

The girls' drill team of the Woman's Catholic Order of Foresters will meet this evening in Knights of Columbus hall. All those who expect to go to Sterling the evening of June 2nd must be present.

The affair in Sterling, sponsored by the Lady Foresters of that city, is to be a cafeteria supper at Mystic Workers' hall and a business session following, at which the Dixon girls drill team is to put on the work. The supper is to be served at 7 o'clock.

M. E. CHOIRS—

Rehearsal of the Junior choir of the Methodist church has been changed from Friday to four o'clock Thursday afternoon and members are to notice the change. There will be special work for Children's Day.

The Senior choir members will meet for rehearsal at 7:15 Thursday evening.

ON WAY TO IOWA—

Mr. and Mrs. David Kendall and daughters Ella and Ethel were guests last night at the home of Mrs. A. R. Powell on their way from their home in Pennsylvania to Albia, Iowa, where two other daughters of Mr. and Mrs. Kendall will be visited.

MODERN WOODMEN NOTE—

All members of the Modern Woodmen lodge are requested to meet at Miller

hall Sunday afternoon at one o'clock, bringing with them all the flowers possible for the Memorial service held jointly with the Royal Neighbors to be held in Oakwood cemetery, with Rev. J. M. Tidball as speaker.

ATTENDED PLAY—

Among the out-of-town people attending the play, "The Green-Eyed Girl," given here Monday evening by St. Mary's Guild and the Knights of Columbus, were Mr. and Mrs. Henry Bittorf and daughter, Marie, Mr. and Mrs. Charles O'Malley, and Miss McKevitt, of Sterling, and Mr. and Mrs. William Blair, of Morrison.

GUESTS IN WALTON HOME—

Mr. and Mrs. Peter McCoy of Walton, entertained at dinner Sunday Mr. and Mrs. P. H. Morrissey and daughter Lauretta, of Amboy, Mr. and Mrs. Charles McCoy and family, Mr. and Mrs. Dave Fitzpatrick, and family, and James E. Morrissey, of Harmon.

DID WELL AT SALE—

Among the many remarkable successful home-baking sales held recently, one of the most successful was that held at the Pratt-Reed Grocery store last Saturday by the ladies of St. Patrick's church. One hundred ten dollars was the amount made.

LEONARD SCHOOL CLOSED—

The Leonard school, of which Miss Ethel Bollman is teacher, closed Friday with a picnic dinner, which, on account of the unpleasant day, was served in the school house. Forty guests from the district were present.

MISS HOWELL IN STUDIO—

Miss Agnes Howell, after a visit with her parents, Mr. and Mrs. E. N. Howell, has returned to Chicago where she holds a responsible position with a large art studio.

WITH DIXON FRIENDS—

Mrs. William White and son, John, of Belle Plaines, Ia., were here en route to Belvidere Monday to visit with Mrs. Mary Maher and Mrs. Thomas Gorham.

WERE SUNDAY GUESTS—

Mrs. Charles W. Ross and son, Howard, of Lee Center, were entertained Sunday at the Robert Brewer home near Dixon.

AT CAMP GRANT—

Mr. and Mrs. Charles Cool and C. E. Keyes drove to Camp Grant Monday evening where they visited the former's son, Lee Cool, just returned from France.

RETURN TO W. BROOKLYN—

The Misses Florence and Della Schueler will return to West Brooklyn on Friday at the close of the school year.

VISIT IN IOWA—

Mrs. R. H. Espy and daughter, Mrs. Grover Hoberg, left today for Iowa. They will visit in Cedar Rapids and Scotch Grove.

GUESTS AT DINNER—

Mr. and Mrs. John Florschuetz entertained at dinner Sunday, Mr. and Mrs. B. F. Gagstetter and daughter, Irene, and Miss Evelyn McCrea.

U. C. T. AUX MEETING—

A very pleasant meeting of the United Commercial Travelers Auxiliary was held yesterday afternoon at the home of Mrs. L. C. Johnson. In addition to the members present there were two guests. The afternoon was spent in a social way, with fancy work and chat and the discussion of some business. Especially enjoyed were the two piano numbers given by the hostess's daughters, Miss Grace. Pictures of the group were taken out of doors in order that the little French orphan adopted by the society might be given some idea of the ladies whose protegee he is. Delicious refreshments were served by the hostess during the afternoon. Spiree prettily decorated the rooms.

M. W. A. and R. N. A.—

The Modern Woodmen and Royal Neighbors will hold their annual memorial services and decorate the graves of departed members next Sunday.

Members are asked to meet at the hall at 1 o'clock and march to the cemetery where the services will be at 2:30. Rev. Jesse M. Tidball will deliver the address and a ladies' quartet will sing. The Foresters' drill team will be present in uniform. Those having flowers to decorate graves are asked to bring them to the hall Sunday afternoon.

SUNDAY AT BROWNSTEAD—

Miss Mary Wynn spent Sunday at Brownstead, the home of Miss Olga Brown on the Chicago Road.

Made from Cream of Tartar derived from grapes

Royal Contains No Alum—

Leaves No Bitter Taste

A HOT SPOT Chalmers is a nimble creature of steel

AFTER you've had one ride in a Hot Spot Chalmers you'll wonder how it is possible to put so much "action," so much eagerness, so much desire-to-go in a ton-and-a-half of steel.

Take the engine out of the chassis and you have a car more or less like many others.

Put in the engine, and you have all the difference in the world.

For this great engine of the present Chalmers (medium sized though it be) has a way of making gas perform as no other engine ever has done.

The reason why is Hot Spot. Which "pulverizes" gas into a very "dry" state. This "dry" gas is then passed on to the cylinders via Ram's-horn and when those six spark plugs ignite the fuel there's action deluxe.

Hence you find a certain, indefinable nimbleness to a Chalmers that is tempting whether you're a front seat or a rear seat driver.

Don't be old-fashioned about a car. See the new day Chalmers.

THE ANTITOBACCO MOVEMENT.

Nebraska has repealed its puritanic
and ineffective anti-cigarette law.The few states which still have the
same kind of a law will no doubt take
similar action, for in not one of them
has the law been enforced.Some years ago, encouraged by the
progressive liquor prohibition was mak-
ing, ultra-puritanic reformers sought to
combine with the crusade against al-
coholic drink one against tobacco gener-
ally and cigarettes in particular.They sought to have laws enacted
placing cigarettes as well as whiskey
under ban; and in several states they
succeeded—Nebraska being they bell-
wether of the lot. Even the few states
in which they succeeded did not treat
the law seriously.Liquor prohibition is directed against
a real and potent evil. Advocacy of
it is supported by a long and gruesome
trail of crime, misery and human ship-
wreck. And for that reason its appeal
has met with the popular favor, and
therefore, with legal support.In the case of cigarette prohibition,
practically all of the elements which
give strength to the crusade alcohol
are lacking. Especially now, in the
light of the proven beneficence of the
service cigarettes have performed dur-
ing the war, in providing nerve-ense,
solace and comfort to the brave and
sorely-tried soldiers of all of the armies
—a service that has been universally
recognized, approved and encouraged by
the various governments and by such
organizations as the Red Cross, Y. M.
C. A., Y. W. C. A., etc.—those essaying
to prosecute organization opposition to
the cigarette have but little upon
which to base appeal for public or
legal sympathy.And with our millions of soldiers re-
turning from the shell-torn fields of
France and from long, dreary, tiresome
days of uncertainty in training camps,
ready, almost to a man, to testify in be-
half of the cigarette there is little like-
lihood that success will crown the ef-
forts of those extremists who would leg-
islate it out of existence.But there is real danger of disastrous
backward swing of the pendulum if
these well-meaning reformers attempt
to press their convictions too far.The narcotic drugs evil has been for-
bidden by prohibitory law; so has al-
coholic liquor; so has gambling. And
public decency and public sentiment ap-
prove.If these prohibitory measures are
broadened to include cigarettes, it is
logical to conclude that cigars, pipes

ABE MARTIN

Th' leadin' topic in most neighbor-
hoods is how some folks kin afford to
go t' ever' show that comes along. Of
all th' substitutes a substitute speaker
is th' worst.and tobacco in any form, would come
next; then coffee, and tea! And then,
why not chewing gum, and, perhaps dill
pickles, which are disagreeable to some
people?The result would be, of course, a
complete revulsion of public sentiment,
followed by a backward swing of the
pendulum that would undo the good
that has been done by prohibition, and
that only a small proportion of the
American people would like to see un-
done!

So Nebraska has acted wisely!

THE PROMOTER'S WIFE

By JANE PHELPS.

MRS. CARTER RETURNS HOME AT
LASTCHAPTER CX.
Aunt had gone. Neil had been too
busy to go to the station when she left,
but Robert and I had driven there with
her, and I had bought her all the late
magazines, and a basket of fruit to help
her pass the time pleasantly on her long
lonely journey. I was fond of her, yet it
was with a sense of relief that I turned
away from bidding her goodbye. She had
been with us so long. Neil had become so
impatient of her questions, well meant
tho they were, and I had grown tired of
never being alone.There are people who never want to be
isolated, to whom staying alone is a real
punishment. But I was not one of those.
It was restful to know that I could read
or sew without interruption. I only
lately my evenings alone. I had felt al-
ways that Neil should give me his so-
ciety after dinner. Either at home, or
now that we should go out together. I knew
that she had gone I should have to
spend many of them alone. Altho I
hoped to persuade Neil to remain with
me more often than he had while she
was with us. He had felt no responsi-
bility then. He knew I never was alone.Blanche Orton called the day after
aunt left. She expressed her sorrow at
missing her, then said:"I have wanted to come and see you
ever since—that night you came to my
house." She had hesitated and flushed.
I too flushed as she referred to my un-
invited appearance. "It was a very
brave thing to do—considering."

"Considering what?" I asked.

"Considering you know you would
meet the very people you had refused
to entertain yourself. I'm, not so
squeamish. I can't afford to be. But
your frank admission that you wanted
to help Neil—Mr. Forbes, made me like
you better than I ever had before, and
so I am going to trust you."

"Trust me?" I returned, wondering.

"Yes, trust me! Strange isn't it? I
suppose you have thought that because
I was unconventional that I was not
quite—well, not exactly all right. That
because I received those people I was
one of them—like them. I wouldn't
blame you if you had, don't try to
deny it." I had made a gesture of dis-sent. "You know that I love luxury,
dress, good food and service. I am mis-
erable without these things. Well Mr.
Orton left me almost a beggar. I
thought he had plenty of money. He
never told me much of his affairs. I
supposed when he died I could go right
on living just as I had been doing. I
could—for a month or two. Then you
gave me the means to go on living in
the way to which I was accustomed,
and—""I gave you the means?" I do not un-
derstand.""Neil told me you objected to receiv-
ing Scott and such men at your table.
You had the society bee in your bonnet,
and feared to hurt yourself with peo-
ple like the Powers if it were known.
He said too that you were fastidious,
that their manners were unbearable to
you.""They were. I could scarcely endure
to sit at table with them," I admitted."Well Mrs. Forbes, I am fastidious
too. Do you recall the day you called
and I received you in negligee because
I had to rest that afternoon. I had to
rest so that my nerves would be in
shape to play the part I was getting
paid for playing. Do you suppose I
like to receive such men as Tearle and
Connor? Do you imagine for a moment
that those ordinary women you met at
my house are the sort of women I like
to entertain? If you do you do not
know me. But I cannot live on air, and
neither can I do anything the ordinary
woman might do. I cannot go out and
earn money, so I stay at home and
earn it.""You mean?" A light was dawning
upon me, I was beginning to under-
stand many things."I meant to put it in plain English
that your husband has paid me gener-
ously for entertaining the men he could
not entertain in his own home, and
whom he could not entertain at his
club because they were men who con-
sidered an evening incomplete without
women's society, and who also wanted
to gamble. I hesitated at first—really
I did. But when I considered the al-
ternative, giving up my home, and all
it meant to me I hesitated no longer. I
just gruffed my teeth and told Neil to
go as far as he liked. I would do all Icould do to help him in return for the
handsome reward he had offered me.
But my dear you couldn't do it. So
don't try. There's one other thing," after
a moment "I feared you were think-
ing things—about me and Neil. Don't!
You wrong us both. He is as true as
steel. And I—well I have other fish to
try."I scarcely knew what to say to her,
but somehow I managed to let her
know I should never betray her confi-
dence; and that I trusted Neil with her.
When she went away we were nearer
really liking each other than ever be-
fore. Yet she had made me anxious.
What was Neil getting from these men
that he went to so much trouble? If he
were giving them value received was
it necessary?
Tomorrow—Once More Barbara Con-
fides in Mr. Frederick.

TROOP ARRIVALS.

By Associated Press Leased Wire
New York, May 28.—Fifty-eight officers
and 1,966 men of the 89th (Sun Flower)
division arrived here today from Brest
on the cruiser Huntington. They com-
prised all of the 356th infantry except
companies K, L and M and a detach-
ment of officers, and some will go to
Camp Grant. The Sunflower division
is made up largely of draft troops from
Kansas, Missouri, Colorado, Nebraska
and Arizona.The steamship Santa Paula, from
Bordeaux, brought 2213 troops, of the
78th division, some of whom are as-
signed to Camps Dodge and Grant. Also
on the Santa Paula were battery C
321st field artillery, 82nd (all-American)
division and the 20th engineers, assigned
to various camps.54,519 Troops Come
Back in One WeekBy Associated Press Leased Wire
Washington, May 28.—In the week
ending May 20, troop arrivals in the
United States totalled 54,519 bringing
the grand total of soldiers returned to
966,259. On that date the army
strength was estimated a 1,510,523 of
whom 840,091 were in Europe, 170,311
at sea, enroute home, and 464,705 in
the United States.Include a box of Healo in your toilet

ower stated that something might be
done to lessen the strain.Talcott Cemetery Supt.
Commissioner George Campbell pro-
posed the name of George Talcott to
succeed Peter Duffy, resigned, as care-
taker of Oakwood cemetery, all of the
members of the council concurring in
the appointment.City Attorney Scott was instructed to
draft an ordinance which would make it
a nuisance to construct or maintain a
chicken yard within 40 feet of a neigh-
boring residence. This particular mat-
ter has been complained of to almost
every member of the council and has
been considered by the body as a sani-
tary measure.The ordinance as amended covering
the endowment of lots in Oakwood cem-
etery, effective on and after June 26,
1919, was read and unanimously adopt-
ed. The amended ordinance covering
the compensation of police officers of
the city which becomes effective July 1,
1919, was also read and passed and the
annual appropriation ordinance which
has been on file in the office of the city
clerk, was adopted.

Street Sprinkling Discussed.

Commissioner Campbell and Mayor
Smith introduced the subject of the
sprinkling and oiling of the streets in
the city this summer, considerable com-
plaint being made at this time by citi-
zens, principally business men in the
down town district. The commissioners
were favorable to the sprinkling being
started at any time but it seems that
there is not a sprinkling wagon in the
city with which to do the work. A ma-
chine for oiling streets is another ne-
cessity which appears to be lacking this
year, although some relief is believed to
be in sight in this respect as it is re-
ported that a new oiling machine will
be received by a local contractor very
shortly. The sprinkling proposition is
still unsettled and some definite action
will probably be taken at the meeting
next week.The council as the board of local im-
provements voted the passage of a
voucher for \$5,500 to be drawn in favor
of the Gund & Graham company, con-
tractors, for the east end paving im-
provement order 187, series of 1919.You know that con-
ditions influence stylesThe past two years the Military idea
has been uppermost in the minds of the people.The Waist-Seam Suits for young
men has been the natural evolution of this idea.Returning Soldiers want this style.
It feels more like the Khaki Suits that he has
been accustomed to.Young men in civil life like this waist-
seam suit, too, because it has the dash and go of
youth.

It's a model very well suited to young men.

You will find plenty of these new waist-seam
models here.Double and single-breasted styles, greens, blues,
browns, grays and fancy mixtures.

PORTUGAL GIVES ORDER OF TOWER TO NC-4'S CREW

(Continued from Page One)

first to fly across the Atlantic it was with pride, that navy men pointed to the splendid performance of the machine, a purely "made in America" development.

Made 90 Miles An Hour.

Without a mishap of any kind, the NC-4 made the jump of approximately 900 land miles from Ponta Delgada to Portugal in nine hours and forty-three minutes, or at the rate of slightly more than ninety land miles an hour. Official reports show the flight, which started at 6:18 a. m. (Washington time) ended at 4:01 p. m. (Washington time).

Resume Flight Today.

Resumption of the flight with Plymouth, England, as the goal was expected today if weather conditions permitted and it was found the steady driving of yesterday had left the engines in good shape. This jump was regarded as of only secondary importance when compared to the flight across the Atlantic, the real object of the navy's efforts. Commander Albert C. Read and his five companions are eager to complete the voyage at the earliest possible moment now that the most difficult obstacles have been passed.

Reports here showed all of the fliers to be in excellent physical condition despite the strain they have been under for more than two weeks.

Difficulty Now Passed.

The flight from Lisbon to Plymouth, it was pointed out, will be the least difficult of any of the legs as practically all the way the seaplane will be in sight of land, running up the coasts of Portugal and Spain, thence across the bay of Biscay and off the French coast. The distance is approximately 750 nautical or 844 land miles and with an early start should be covered in daylight.

ARRIVES AT LISBON.

Washington, D. C., May 28.—The American naval seaplane NC-4 arrived at Lisbon, Portugal, Tuesday at 4:01 p. m., Washington time, being the first to cross the Atlantic by air. The ship made the distance from Ponta Delgada, Azores, to Lisbon in nine hours and forty-four minutes, making her actual flying time in crossing the Atlantic from Newfoundland twenty-six hours and forty-one minutes.

CITY BRIEFS

Mayor's Son Home—Walter Smith, son of Mayor and Mrs. Mark Smith, returned home Monday evening after eighteen months in France with the U. S. army.

Collie Was Killed—Bernard, the beautiful collie dog, owned by the Lee Lambert family, was killed Sunday evening by an automobile as he was crossing Hemlock avenue. The dog was a great pet in the Lambert home and in the neighborhood, as well, and will be greatly missed.

Returned After Funeral—William and Charles Heaton returned to their homes in Artesian, S. D., last evening, after being here to attend the funeral of their mother, Mrs. Margaret Heaton.

Underwent Operation—Jane Gray Harvey, little daughter of Mr. and Mrs. Douglas Harvey, underwent an operation recently in Chicago for the removal of her tonsils. She returned to Dixon last evening, accompanied by her aunt, Mrs. John Ralston.

Miss Cahill is Home—Miss Bess Cahill, who recently returned from France, where she served as a nurse at army hospitals, and who since then has been on duty in the west, arrived home this morning on a short furlough to visit relatives.

Lee Cool Discharged—Lee Cool, who recently arrived at Camp Grant after eight months' service overseas, arrived home last evening, having been discharged from the service yesterday.

Sgt. Metzler Home—Sgt. Howard Metzler arrived home last evening, having received his honorable discharge at Camp Grant. Although starting out with old Company G he was sent home some time ago as a casual after being injured in a railroad accident in France.

Position in DeKalb—Miss Mildred Lancaster, of Glenhaven, Wis., who has been attending the Coppins College here for the past six months, has accepted the offer of an excellent position as bookkeeper with the L. C. Scherhorn Lumber & Coal company at DeKalb.

Son Born Today—A son was born to Mr. and Mrs. Wilbur Hart this morning.

EPISCOPALS WIN LIVELY CONTEST FROM CHRISTIANS

It remained for the Episcopal and Christian baseball teams to stage the real "thriller." This game was the closest played this season and resulted in a victory for the Episcopalists by the score of 12 to 11.

The Episcopalists, playing their first game, were reinforced by several out side players, owing to absence of some of their teammates. "Doc" Evans was on the mound for this team and pitched a good game. He was opposed by Bert Green, who pitched the previous game for the Christians, had good control and received only fair support from his teammates.

The score was tied in the fifth, when the Episcopalists overcame the lead gained by the Christians earlier in the game. The Christians got one run over in the seventh, but not enough to clinch the game.

The crowd was larger than usual last night and the "rooting" was spirited. On Friday evening the Presbyterians play the Catholics, it being the first game for the Presbyterians.

"Bolsheviki Element" in New Haven Riots

By Associated Press Leased Wire

New Haven, Conn., May 28.—The riot here last night was attributed today by Mayor Fitzgerald to "bolshevik elements," which had taken advantage of a minor clash between discharged service men and Yale undergraduates, caused by unconfirmed reports that Yale men had hissed the 102nd regimental band.

Throughout the night the college authorities kept the students within the dormitories.

Those students who figured in fights were caught upon the streets while returning from theaters or dances.

Although the police were vigilant they could not for hours prevent clashes, nor could they fathom the reasons for the semblance of organized attack.

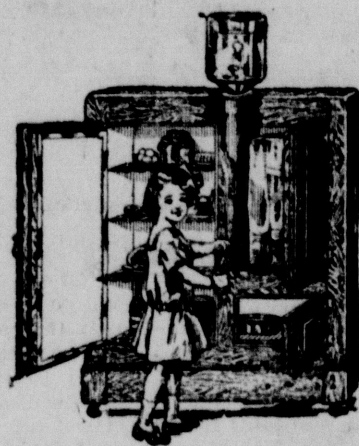

TORONTO MAY HELP.

By Associated Press Leased Wire

Winnipeg, Man., May 28.—Ernest Robinson, secretary of the trades and labor council, stated this morning that he had received the following message from Toronto:

"Winnipeg hold fast. General strike called here 10 a. m. Wednesday to support the metal trades."

PEACE SUMMARY

By Associated Press Leased Wire
Although there has been no official announcement it is expected the German peace delegation will present its counter proposals at Versailles some time today. It is known that the German reply has been completed, and as the time limit for the reply expires tomorrow noon, the official attitude of Germany toward the treaty must be made known without further delay.

Dispatches from Berlin and Paris indicate that the Germans will claim that they accepted the offer of the allies to conclude peace on the basis of President Wilson's fourteen points, and other assertions by allied representatives that the peace would not be one of violence. It is said that the Germans will claim to have ousted the old imperialistic regime and substituted a democratic government, and will for this reason ask for amelioration of the price they are asked to pay for peace.

There are reports which seem to reflect a disposition on the part of the allies not to barley long if the Germans actually refuse to sign. An Amsterdam dispatch states that the Belgian frontier has been closed and that all Belgian soldiers have been recalled from leave. It is further reported that general mobilization of the Belgian army will be ordered if it becomes definitely known the Germans will not sign.

Allied commanders along the Rhine where the British, American and French armies held bridge heads, are reported to have held conferences.

It may be that the treaty with Austria will not be presented on Friday as planned. The Italian delegation is declared to be delaying consideration of southern frontiers of Austria, insisting that the question of the frontiers shall be coupled with that of the Dalmatian coast.

CASUALTY REPORT.

Washington, D. C., May 28.—The following casualties are reported by the commanding general of the American Expeditionary Forces:

Killed in action—2.
Died of wounds—4.
Died of accident and other causes—14.
Died of disease—17.
Wounded severely—44.
Wounded (degree undetermined)—45.
Wounded slightly—230.
Total—356.

Clubs and societies, when in need of programs or booklets are asked to call at the B. F. Shaw Ptg. Co.'s job plant, see samples and get prices.

ODDS AND ENDS

ROCKFORD.—St. Anthony hospital here has purchased a large residence property adjoining the hospital which will be used for a nurses' home.

FREEPORT.—The Tenth Illinois Infantry, national guard, will hold an eight-day camp at Springfield the middle of August.

ROCK ISLAND.—Whiskey, beer, wine, gin and other liquors, worth about \$5000 and in possession of the government, were taken from the storeroom without the permission of the custodian and its whereabouts is unknown. Its disappearance followed an announcement by the U. S. Marshal that the owners of the liquor could get it before May 29, after which the remaining amount was to be given to the Red Cross.

AURORA.—The Very Reverend J. J. Bennett, chaplain of St. Charles hospital at Aurora, has been made a Domestic Prelate by Pope Benedict, an ecclesiastical rank carrying the title of monsignor.

ROCK ISLAND.—Captain W. E. Haberlaw of the 13th engineers, one of the first Rock Island men to return home, has returned with a croix de guerre and a French bride. He won his croix de guerre for courage and ability in dangerous construction work behind the lines in the Verdun sector. His wife was formerly Mademoiselle Jeanne Barton, a war nurse for four years.

SAVANNA.—Carroll county has taken the lead in young people's clubs, seventeen agricultural vocational clubs,

with a membership of 165 having been formed. The young people are raising stock, potatoes, corn and other products.

BYRON.—The young son of Mr. and Mrs. Lewis Wallen was drowned in a pond in the Chicago & Great Western gravel pit near here when he fell in while playing with several companions.

PURCHASED RESIDENCE

William Gleim yesterday purchased from George Schmucker his residence on Galea avenue, occupied by L. G. Roror. The consideration has not been made public.

WONDERFUL MUSIC

I wish to call to the attention of the public that I have installed at my place of business, the Brunswick Billiard Parlor, corner Peoria and W. First St., Dixon, Ill., a Violano-Virtuoso. This instrument is designated by the U. S. government as one of the eight greatest inventions of today. It is a combination of violin and piano and is entirely electrically operated and renders the most beautiful and sweetest music that ear ever heard.

ALLIED MINISTERS PROTEST
REGARDS POLISH OFFENSIVE

By Associated Press Leased Wire
London, Tuesday, May 27.—(Delayed)—The American and British ministers at Warsaw have protested against the Polish offensive in east Galicia, according to a dispatch to the Exchange Telegraph from Vienna by way of Copenhagen.

AVERAGE WORKER
TRIED MANY JOBS

Washington, D. C., May 28.—That the majority of American workers in training school do not know at what work they will make a livelihood, is a generalization apparently justified by an investigation recently made in Baltimore, Md., by representatives of the U. S. Training Service of the Department of Labor. With a view to finding what proportion of people engaged in earning their living are at tasks for which they prepared themselves or which they intended to enter on leaving school, more than 500 workers were interviewed in that city. Three-fourths of these persons had changed their occupations four or more times. One man interviewed carefully reviewed his past and found that he had engaged in thirty different kinds of painful employment since quitting school.

These figures are cited to show that the average worker, not having prepared himself for the work he is now engaged in, can profit immensely by industrial training such as the Training Service is promoting. It is pointed out

that training departments in industrial plants fill a gap in our industrial system which is urgently in need of attention. Training, such as this branch of the Department of Labor is promoting, is designed to give to all workers, of whom these 500 persons in Baltimore are typical, a practical efficiency which makes them better producers and earners of better wages.

Special emphasis is placed on the fact that instruction received in training departments is of immediate value. Unlike training taken and considerable time in advance, there is practically no chance of its being for naught on account of unexpected changes of occupation. These training departments are for the benefit of poor and mediocre workers and also for ambitious workers who wish to broaden their skill and so fit themselves for advancement. Already more than 300 plants in this country have installed training departments, according to latest reports.

If you have any furniture, carpets or rugs you wish to dispose of, advertise same in the Telegraph. A 25-word ad will cost you 50c for three times in the Telegraph.

Heals—good for the feet.

Former Nicaraguan
Premier Leads Revolt

By Associated Press Leased Wire
Washington, May 28.—The Nicaraguan legation in a statement issued today charged that Costa Rican troops on the border of Nicaragua were commanded by Julian Irias, who as premier of Nicaragua, under President Zelaya ordered the execution of two American citizens, Cannon and Groce, without trial more than a decade ago. The statement reiterates that no assistance has been given the Costa Rican revolutionaries.

Wilson Gives Dinner
for Brazilian Envoy

By Associated Press Leased Wire
Paris, Tuesday, May 27.—(Delayed)—President Poincaré gave a brilliant dinner at Elysee palace this evening in honor of Dr. Epitacio Pessoa, president-elect of Brazil.

WORLDS OF GOOD THINGS

—cakes, cookies, biscuits and everything else in which baking powder is used—all wholesome and tasty when you use

CALUMET BAKING POWDER

"BEST BY TEST"

The Nation's best baking powder and best suited to every baking need. On the market for thirty years. Long past the experimental stage. Use Calumet and prevent waste and failures.

It is always reliable—always the same—uniform in strength. You save when you buy it. You save when you use it. This makes it the most economical of all leaveners.

Made in the world's largest, finest and most sanitary baking powder factory. Used by the Army and Navy—millions of housewives—and thousands of chefs and domestic scientists.

NOTE—

When you buy a pound of Calumet you get a full pound—16 oz. Some high priced baking powders are now being put on the market in 12-oz. cans instead of a pound. Be sure you are getting a pound when you want it. No short weights with Calumet.

W. H. Winn, Administratrix
Atty.

ROCKFORD TO HAVE ONE 'PHONE SYSTEM

Rockford, May 27.—Negotiations are pending which, in all probability, will result in the merger of the Home Telephone company with the Central Union company, in Rockford, in the very near future, with the result that there will be only one telephone system in Rockford, if the deal goes through, the Home company retiring from the field. If the merger is effected it will mean a saving of a very large sum of money to Rockfordites every year, for most business houses, as well as many professional men have felt it necessary to have both phones in their offices and places of business.

KENNEDY'S

TRAINED FOREMEN ARE NEEDED IN U. S.

Washington, May 27.—One of the most urgent industrial needs of the country at present time is properly trained foremen, according to officials of the Department of Labor, representing the U. S. Training Service. These experts have been making a nationwide study of industrial conditions and maintain that the keen foreign competition this country is soon to meet, demands more efficient industrial management than obtained before the war. Already England and France and others of the allies are themselves in the market of the world. In the past American industry has been handicapped by the fact that the rank and file of its workers have not had opportunity for adequate training in their respective tasks. The only practical way of lifting this burden on industry, according to the U. S. Training Service, is to establish training departments in the majority of the manufacturing plants of the country. The foremen are among those to be given, it is said, inquiries from leading manufacturers show that there is a distinct trend favor of relieving foremen of many of their secondary duties in order that they may concentrate their attention on their principal task, which is production. "Breaking in" new workers has been one of the many jobs of the average foreman. According to the new standards this should be delegated to a training department, or in the absence of such a feature, to some especially qualified fellow worker.

Because of the general demand for a better understanding of foremanship, a staff of widely experienced production men employed by the U. S. Training Service is engaged in preparing a book on the subject. The result of its combined efforts promises to be a valuable treatise on the duties of the foreman. It is intended for the instruction of young men who wish to prepare themselves to be foremen, as well as for men already experienced in this line of work.

Foremen who need letter heads will be pleased with our work. Ask to see samples. The Evening Telegraph.

GRAND DETOUR

Mr. and Mrs. Will Flick and two sons, of Oregon, motored to Grand Detour and were entertained at the Chas. England home Sunday.

Mr. and Mrs. Charles England, Mr. and Mrs. C. Huffman and children visited at the Lee Men home Sunday evening.

Mrs. H. A. England left Friday evening for Glen Ellyn to visit her daughter and husband, Mr. and Mrs. E. O'Rourke.

George Remmers drove to Mt. Morris Monday morning to take his daughter Gladys to spend a week with her cousin, Mrs. Clyde Kootz.

Mrs. Warren Burdick of Rock Falls, spent a few days last week with her parents, Mr. and Mrs. J. H. Mumma.

Mrs. Tully, of Harmon, is visiting her daughter, Mrs. Ross Cooper, and family.

Mrs. Mary French is with her daughter, Mrs. Charles Lawver, and family, of near Polo.

Albert Tholen and family drove to Oregon Friday night to attend the play given by the Oregon high school.

Charles Pyfer and wife, of South Dixon, spent Wednesday at the J. H. Mumma home.

Several from here attended the dance at Castle Rock Thursday night.

J. D. Portner took several from here Tuesday night to the Lewis Beatty home where they enjoyed the dance in the new barn.

Mrs. Caroline Remmers visited Mr. and Mrs. George Shaver in Dixon Saturday.

Miss Harrington went to Dixon Saturday where she spent the day and Saturday night with her nephew and wife, Mr. and Mrs. Claud Harrington. She returned home Sunday.

Mr. and Mrs. Ambrose Strouse were in Dixon shopping Saturday.

Albert Tholen and family and Mrs. Dixon at the John Brink home.

Mrs. Julia Pankhurst, of Oregon.

spent Sunday afternoon and evening at the Dr. Pankhurst home.

Don't forget to patronize the ladies who serve ice cream, cake, and lemonade at the hall. Friday, May 30th. The proceeds go to help care for the cemetery. Everyone should be interested.

SAUCE FOR GANDER NOT GOOD FOR GOOSE

Sauce for the gander is not proper for the goose, according to the belief of Herbert Frye, who left a wife and child at Sterling when he went to Rockford some time ago.

Frye was arrested at Aurora where he was living as the reputed husband of Mrs. Emma Gardner, according to the authorities, and held to the grand jury, his woman companion being bound over also. Frye was also served with a summons in a divorce suit after his arrest, the wife having instituted proceedings at Sterling.

Frye explained to the Aurora justice before whom the pair were brought that he intended returning to his wife and was asked if he would have forgiven the wife in the event that the tables

turned, and she was the one facing a statutory charge. His reply was that she could hardly expect forgiveness under such circumstances. Mrs. Gardner and Frye met each other in Rockford, but the woman denies living with him there.

I Owe My Life to PERUNA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peruna. After some of the best doctors in the country gave me up and told me I could not live another month, Peruna saved me. Travelling from town to town, throughout the country, and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while playing my trade as auctioneer, it is only natural that I had colds frequently; so when this would occur I paid little attention to it, until last December when I contracted a severe case, which, through neglect on my part, settled on my lungs. When I met one Dr. I began doctoring, but, with a week's treatment, I was not getting any better. I had heard of Peruna, and cured me. I cannot say I am cured, but I feel like a new man."

Mr. Samuel McKinley, 3507 E. 12th St., Kansas City, Mo., Member of the Society of U. S. Jewelry Auctioneers.

WAR MOTHERS MET—

Rev. Michael Pacey gave the address to the Lee County War Mothers' Council, at the regular meeting held Tuesday afternoon in G. A. R. hall. His address was one of tribute to the boys who served in the World War and of memorial to those who gave their lives in the country's service. The members found his address deeply interesting. Business of the day, after the opening service, which consisted of the repeating of the Lord's prayer and the singing of America, was transacted. This included the appointment of a visiting committee, with Mrs. J. Wilbur Craw-

ford as chairman, and a flower committee, with Mrs. H. W. Stevens as its head. Committees were also appointed to assist with the children on Memorial Day and the arranging of the flowers at the court house that morning. Arrangements were also made to assist in the serving of refreshments to all the soldiers in the parade at G. A. R. hall after the parade. Another food sale was planned for Saturday, May 31. Every member is requested to contribute to this sale.

Mrs. E. J. Kling requested to be released from her office as chaplain. This was granted and Mrs. Wm. Lenox was appointed in her stead.

Many of the members had received letters recently from their boys in the service and some of these were read. Others were happy to report their sons at home or in the United States.

Forty members responded to roll call at this meeting.

ENTERTAINED HOI POLLOI—

Mr. and Mrs. A. L. Leydig entertained the members of the Hoi Polloi club and a few friends last evening. The larger part of the evening was spent on the porch. The luncheon, however, was served inside, with bridal wreath and tulips decorating the table. Among the guests were Mesdames Fuestman, Kenneth, and March and Mr. A. C. Handell. The latter, recently returned from France, interested the company greatly by the stories he told of army life in that country.

MRS. FORMAN ENTERTAINED—

The members of the Young Woman's Bible class of the Methodist church spent a very pleasant afternoon yesterday with Mrs. Frank Forman. A goodly number of members were present. Mrs. Wm. J. Jones played a piano solo which was greatly enjoyed by all. Some class business was transacted before the serving of very enjoyable refreshments by the committee.

L. O. O. M. MEETING—

Tonight at Moose hall a regular meeting of the Loyal Order of Moose will be held. All members are requested to be present as important business is to be discussed. All members of the house committee are especially requested to be present.
